

Headteacher's Welcome

The last couple of weeks have been very busy in school. The children had a fantastic time celebrating World Book Day and Oak Class had a very hands-on day at Think Tank Science Museum in Birmingham on Monday.

It was great to see so many parents at our Parents' Evenings. During the discussion we asked you what you would like to change about the school from a parent's perspective. It was lovely to hear so many positive responses, particularly around the improvements to communication and number of educational visits offered. The key themes of areas to improve included relaunching a PTA and the lunchtime menu. These are areas we are aware of as a school.

We have been working with Dolce to improve the amount of choice on the menu and are hoping to see these suggestions taken on board in the summer menu. We are also intending to organise an opportunity for parents to come in for lunch, sample the menu and to have the opportunity to speak to representatives from Dolce during the Summer Term.

We would also very much like to relaunch a PTA or Friends Association but this requires a volunteer willing to Chair the organisation. If you are willing to put yourself forward for this role please do come and discuss this with me.

As part of our Careers and Aspirations Curriculum we will be thinking about jobs we could do when we are older on 1st April. On this day we would like the children to dress up as a job that they would like to do when they are older. Perhaps we will have a footballer, farmer, or the future Prime Minister amongst us!
