

The Changes – Social Distancing and School Bubbles

To ensure the safety of all the following procedures have been put into place for our return in September.

Early Birds

The children will be served breakfast from the serving hatch by a member of staff. The children will then have spaced seating at designated tables. One for Early Years, Year 1 & 2 (KS1) and another for the KS2 children.

Activities will still be available but now set out in designated areas in the same way as the tables KS1 and KS2.

Stay and Play

To reflect the school structure, there will be a lower phase bubble and upper phase bubble. Each bubble will have at least one designated adult, social distancing will be maintained in the upper phase bubble, wherever possible.

The children are welcome to bring in a healthy snack or packed tea to supplement the snack provided by the club.

Signing In and Out

When dropping your child off in the morning, could we respectfully ask that only one family at a time come into the foyer.

When picking your child up from Stay & Play please ring the bell and I will bring your child/ren to you as quickly as possible.

Children will now be signed in and out by a member of the Early Birds/Stay & Play team.

Our New Weekly Activities

We have a new programme of activities for the children to come and enjoy.

Please see overleaf for all the details.

We look forward to seeing you soon!

If you have any queries or questions please do not hesitate to contact our

Stay and Play Leader on:
