Dear Parents/ Carers,

Thank you for supporting the Early Birds and Stay and Play provision. We have undertaken a review of the current provision offered and the cost of this. It is essential for us that the clubs are self-sustainable and are not being subsidised by school funding and at present this is not the case. After an in depth review of income and expenditure, including benchmarking against other provisions, we have come to the conclusion that we need to increase the cost of our sessions. Please be advised that from September 2020 prices will be increased.

The following charges will be applied:

Early Birds £3.50 per session

Stay and Play £8.50 per session

This pricing structure will be reviewed again in April 2021 and it may be necessary to further increase the cost. We do hope that you will still feel able to support this vital provision for our school.

Yours sincerely,

Michelle Norbury  
Headteacher
