Sports Premium 2023-24

The Sports Premium Grant

The Government is spending over £320 million on this funding to provide new, sustainable and substantial primary school sport funding. This funding is being jointly met and provided by the Departments for Education, Health & Culture and Media and Sport - and shall see money going directly to primary school for Headteachers to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on Sport and PE provision at Folksworth C of E Primary school.

Funding for schools is calculated by the number of primary aged pupils (between the ages of 5 and 11). All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. For Folksworth C of E Primary School this calculates as follows:

- *Total number of primary aged pupils between the ages of 5-11 = 86*
- *Total amount of Sport Premium Grant received £16860 (£16000 + (86 x £10))*

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The [programme of study for PE](#) sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

Swimming and Water Safety (2022-23)	Please fill out all of the below:

4. broader experience of a range of sports and activities offered to all pupils	Pupils have increased opportunities and choice of sports and activities to engage with.	Use specialist PE staff from Youth Dreams Project to carry out team teaching of a sequence of lessons alongside Folksworth C of E teachers during PE sessions allowing a wider variety of sports to be experienced. Subsidise the cost of outdoor and adventurous activities to allow children opportunities to experience a wider range of sports.	See section 3 £1000	As section 3. 59 children in Key Stage 2 were able to access outdoor and adventurous activities at the Grafham Water Centre and Mount Cook subsidised by the use of sports premium. This represents 96% of the cohort. Activities included rock climbing, sailing and archery.
Total Actual Spend: £600				
5. increased participation in competitive sport	Children experience the benefits of participation in competition.	Use Sports Premium funding so that all travel to/from sports competitions is provided ensuring equal opportunities for all pupils. <i>Travel costs with the exception of the transport to/from swimming which the school funds separately.</i>	£500	No funding was required to transport pupils to tournaments. This was done through staff and parents transporting pupils.
Total Actual Spend: £0				
6. Other Aspects to Develop	Use up-to-date equipment and learning resources.	Update P.E. curriculum resources including play equipment to maintain active playgrounds. Purchase additional table tennis table.	£3823 £1000	Playground equipment and PE equipment was purchased to ensure that pupils were able to access the equipment required to engage in specific sports linked to the school's curriculum. This was not purchased in this academic year.
