Sports Premium 2026-27

The Sports Premium Grant

The Sports Premium Grant for 2026-2027 is a transitional ring-fenced funding allocation provided by the UK Department for Education (DfE) for primary schools in England.

The 2026–27 academic year marks the final year of direct funding through this traditional model. It serves as a bridge before the government fully transitions to a new national PE and School Sport Partnerships Network starting in early 2027.

The Sports Premium Grant can be used towards the cost of Staff training (CPD), increasing physical activity, enhancing the profile of PE, broadening access to diverse sports, and top-up swimming support.

Funding for schools is calculated by the number of primary aged pupils (between the ages of 5 and 11). All schools with 17 or more primary aged pupils will receive a lump sum of £6240 plus a premium of £10 per additional pupil.

Swimming

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The [programme of study for PE](#) sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

Swimming and Water Safety (2025-26)	Please fill out all of the below:
Percentage of Year 6 pupils who could swim competently, confidently and proficiently over a distance of at least 25 metres when they left primary school at the end of last academic year.	86%
